

CREATE A STRIKING CUSTOM SHOWPIECE FROM THE FLOOR UP USING GENUINE OAK PARQUETRY ENGINEERED FLOORING.

Each block of Genuine Oak Parquetry is carefully constructed using Genuine French Oak lamella for the wear layer, which is bonded to a strong Eucalyptus plywood core and reinforced with a veneer backing. This type of construction ensures product stability and quality assurance.

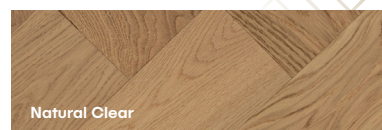

GENUINE OAK PARQUETRY PROVIDES A CONTEMPORARY HERRINGBONE PATTERN WITH COLOUR OPTIONS TO REFLECT ONE'S PERSONAL TASTE OR STYLE.

Such a grand floor selection is made easy in the modern day with six traditional and timeless prefinished stain colours available. 7 coats of UV cured Treffert Lacquer system are applied to complete this exquisite flooring.
